Money raised from these fundraisers will help students pay off their marching band tour fees, instrumental rental fees and other music related fees. Certain fundraiser guidelines are necessary and we ask that you read this carefully. Please also review it with your student before the fundraiser begins.

1. Your student will have total responsibility for the items being sold. If any items are lost or stolen, he must pay full price for the lost or stolen items.
2. It is recommended that the students carefully count all items that are checked out to them prior to signing for the items being sold.
3. Merchandise/tickets should never be stored in lockers or left unattended in classrooms.
4. It is not necessary for students to carry boxes of merchandise with them during the school day. It is suggested that students pick up the product at the end of the day.
5. Full credit will be given to the student for any unopened items returned to the school.
6. Either the items checked out to the student or the appropriate amount of money must be returned by the end of the sale. If the amount of money and or items that are returned is less than what was checked out, a fine will be placed on the students account for the balance due.
7. Money collected should be turned in exactly as collected. Please do not deposit money into a personal account and write a check for the total amount.
8. If the fundraiser is conducted away from school property, it is the sole responsibility of the parents to provide supervision of their children who participate in this voluntary fundraising activity.
